

The Minimal Equitable Distribution of Goods and Services in the Standard Nuclear oliGARCHy

Soumadeep Ghosh

Kolkata, India

Abstract

In this paper, I describe the minimal equitable distribution of goods and services in the Standard Nuclear oliGARCHy.
The paper ends with “The End”

Introduction

Because the Standard Nuclear oliGARCHy has immense wealth (and therefore money) for its individuals, it has an immense capacity for production. This paper is not about the upper bound of production in the Standard Nuclear oliGARCHy. Instead, in this paper, I describe the minimal equitable distribution of goods and services in the Standard Nuclear oliGARCHy.

The Minimal Equitable Distribution of Goods and Services in the Standard Nuclear oliGARCHy

The minimal equitable distribution of goods and services in the Standard Nuclear oliGARCHy is given by:

$$O \cdot G + O \cdot S + N \cdot g + N \cdot s = 48524 \times M$$

where

$$M = 18$$

$$O = \{85, 84, 83, 82, 81, 80, 79, 78, 77\}$$

$$N = \{5315, 5314, 5313, 5312, 5311, 5310, 5309, 5308, 5303\}$$

$$G = \{9, 9, 9, 9, 9, 9, 9, 9, 9\}$$

$$S = \{9, 9, 9, 9, 9, 9, 9, 9, 9\}$$

$$g = \{9, 9, 9, 9, 9, 9, 9, 9, 9\}$$

$$s = \{9, 9, 9, 9, 9, 9, 9, 9, 9\}$$

An Example

Consider the following minimal equitable distribution of goods and services for the oliGARCHs:

Goods	Services
Diplomatic Clothing	Tailor Service
Military Clothing	Work-smith Service
Heavy Armour	Utilities Service
Heavy Shield	Learning from the National Doctors
Light Weapon	Combat Training at the National Academy
Security Detail	National Health Service
Own Military Building	National Computer Service
Central Banking Position	National Law Service
Own Enterprise	University Examination Service

Consider the following minimal equitable distribution of goods and services for the non-oliGARCHs:

Goods	Services
Casual Clothing	Tailor Service
Work-hours Clothing	Work-smith Service
Light Armour	Utilities Service
Light Shield	Learning from the Local Masters
Light Weapon 1	Combat Training at the Local Militia
Light Weapon 2	Local Health Service
Own House	Local Computer Service
Local Bank Account	National Law Service
Own Business	University Examination Service
